SABIS® Educational Summer Camp

The SABIS® Educational Summer Camp offers children aged 10-18 years a motivating, inspiring, and exciting opportunity to learn, grow, and shine. The camp takes place at Ashwicke Hall, which is set on 148 acres of verdant English countryside on the Ashwicke Hall Estate, just 90 minutes from London and Oxford and close to some of Britain's top destinations.

In 2019, over 160 SABIS® and non-SABIS® students from 31 countries around the world travelled to Ashwicke Hall in Bath, U.K., to enjoy the 4-week or 2-week summer camp in addition to the Manchester City Football Performance Program and the University Orientation Program. Students benefited from a curriculum packed with morning carefully tailored academic classes; cultural, historical, and educational experiences; and many other exciting activities.

"I love this summer camp because it taught me to be responsible. I love the field trips because I learned something new every day. I like the teachers and I have made many new friends."

Tiana, SABIS® Runda, Kenya

Hameed Hassan, Summer Camp Parent from Manama, Bahrain (ISC-Manama)

"Thank you for providing a safe, fun, learning, and caring atmosphere. My daughter said that it was an experience of a lifetime and she will come back next year. All your efforts are appreciated and respected, and you were all trustworthy."

from Abu Dhabi, U.A.E. (ISC-Abu Dhabi)

DORM LIFE

Children attending the SABIS® Educational Summer Camp live in the Ashwicke Hall dorms. Boys and girls live in separate dorms in rooms designed to house up to four children. Campers are responsible for keeping their rooms tidy under the supervision of a well-trained SABIS® staff member called "House Parent." The House Parent is responsible for the well-being of all boarding children at all times and lives in an apartment attached to the dorm for easy access.

Each student has a bed, chair, desk, and lockable wardrobe. Bed linen is changed once a week and there is a timetable for personal laundry. All the rooms are cleaned daily by school staff, Monday through Friday.

Each dormitory has a common room, a shared space that has recreational facilities such as a pool table, computers, and a lounge area. The televisions have access to satellite channels which are controlled centrally to ensure appropriateness. Campers and House Parents spend quality time socializing and relaxing together here.

"Words are not enough to describe the two weeks I stayed at this camp -the best moments of my life."

Safien, ISC-Erbil, Kurdistan, Iraq
